

Native Trees in Coffee Landscapes

Source: CAFNET Dataset

Species	Local Name	Conservation Status
<i>Ficus drupacea</i>	Goli mara, Goni mara, Adike goli, Bili goli, Bili goni	Frequent
<i>Schleichera oleosa</i>	Chakate, Akota, Kakuta, Chagadayi, Hulimaya	Frequent
<i>Antidesma menasu</i>	Bavinasoppu, Kadivalasoppu	Frequent
<i>Lannea coromandelica</i>	Goddamara, Goddimara, Kuratige, Mohimara	Frequent
<i>Stereospermum colais</i>	Poopadri, Hadri, Kaladari, Padari, Kariudre, Kalludure	Frequent
<i>Albizia odoratissima</i>	Bilwar	Frequent
<i>Ficus hispida</i>	Adavi athi, Kaadu athi, Olapara	Frequent
<i>Pongamia pinnata</i>	Honge	Frequent
<i>Ficus exasperata</i>	Garagatti, Kharavathi, Gerugotte	Frequent
<i>Bischofia javanica</i>	Neelimara, Betta hone, Gobra nerele	Frequent
<i>Cedrela toona</i>	Noga, Noge, Devadari, Biligandhagiri, Kempugandhageri	Frequent
<i>Terminalia arjuna</i>	Hole mathi	Frequent
<i>Bombax ceiba</i>	Booragada mara	Frequent
<i>Lagerstroemia microcarpa</i>	Nandi	Very common
<i>Mangifera indica</i>	Mango	Very common
<i>Syzygium cumini</i>	Nerele	Very common
<i>Terminalia bellerica</i>	Tari mara	Very common
<i>Terminalia tomentosa</i>	Mathi mara	Very common
<i>Dalbergia latifolia</i>	Beete mara	Very common

<i>Tectona grandis</i>	Tege mara	Very common
<i>Grewia tellifolia</i>	Todsals mara	Very common
<i>Ficus benghalensis</i>	Alada mara	Very common
<i>Aporosa lindleyana</i>	Yechimara, Challe Mara, Sali, Sarali, Sulla.	Common
<i>Pterocarpus marsupium</i>	Honne	Common
<i>Sapindus emarginatus</i>	Antwala	Low risk
<i>Holigarna arnottiana/beddomei</i>	Kadugere, Kadugeru, Katugeri, Chaere mara, Goota mara, Holageru	Locally rare, Endemic
<i>Macaranga indica</i>	Uppalige mara	Locally rare
<i>Ficus virens</i>	Basari	Locally rare
<i>Canarium strictum</i>	Dhoopa mara, Kari dhoopa	Regionally Vulnerable
<i>Michelia champaca</i>	Sampige mara	Regionally vulnerable
<i>Garcinia gummi-gutta</i>	Ponnekai/Bainemara	Globally Vulnerable
<i>Artocarpus hirsutus</i>	Aajini, Aini, Hebbahalasu	Globally Vulnerable
<i>Cinnamomum macrocarpum</i>	Dappa dalchini, Bhrynga	Globally vulnerable
<i>Vateria indica</i>	Bilidhoop, Bilee guggula	Globally Near Threatened
<i>Dysoxylum malabaricum</i>	Devadaru/White cedar	Globally Endangered
<i>Persea macrantha</i>	Chittu thandri, Gulamaavu, Gulimaavus	Globally Endangered
